  L.D. College Of Engineering
  2020 - pursuing
  Percentage: 77.7

- **Higher Secondary Education (HSC)**
  Seth C.M. High School
  2019 - 2020
  Percentage: 77.69

- **Secondary School Certificate (SSC)**
  Seth C.M. High School
  2017 - 2018
  Percentage: 82.17

EXPERIENCE

- **INFOLABZ IT SERVICES PVT. LTD.**
  INTERN
  JUL ,2023 - AUG, 2023
  During my internship tenure, I focused on learning the fundamentals of JS and ES6, and I also gained experience working with the React framework. Additionally, I worked on API integration and successfully developed an API-based React application.

AREA OF INTEREST

- Web Development
- Software Development
- Cyber Security

ABOUT

I am a passionate Information Technology student with a keen interest in web development and cybersecurity. I am fascinated by cybersecurity and stay updated with the latest practices to ensure the integrity and security of digital systems. I am dedicated to expanding my knowledge in both fields and eager to contribute my technical expertise to innovative projects.

PROJECT

- **A Personal Portfolio Website**
  Developed a responsive personal portfolio web application using React, showcasing my skills and projects. The app features an interactive user interface, a curated project showcase with detailed descriptions and live demos, a visually appealing skillset display, and contact information for easy communication.

- **News Aggregation Web App**
  Developed a dynamic and user-friendly news aggregation web application using React and integrated it with a news API to provide real-time updates from various news sources. The app offers a seamless user experience with organized sections for general news, sports news, science news, and entertainment news.

- **Weather App**
  Crafted a sleek weather application that provides instant access to current weather conditions. Users can effortlessly check the weather for their current location or search for cities worldwide. The app seamlessly integrates with a weather API to deliver accurate forecasts with style.
